EVENT OVERVIEW

Hosted by TAQA, and part of the Abu Dhabi Water & Power Week, an initiative by the Department of Energy - Abu Dhabi, the **World Utilities Congress** serves as a global meeting point for the utilities community, driving collaboration to shape the future of power, water, and sustainable infrastructure.

As the sector accelerates its transition to clean, reliable, and resilient power and water systems, the World Utilities Congress 2026 recognises that progress requires more than ambition.

True transformation depends on breaking down silos, fostering collaboration among stakeholders and partners, and driving integrated solutions that benefit communities and economies and this is precisely what the Congress is designed to advance.

WELCOME MESSAGE

“

As utilities worldwide advance toward a more resilient and sustainable future, digital transformation, advanced technologies, and predictive intelligence are unlocking new possibilities across power and water systems. The World Utilities Technical Conference brings these ideas to life, creating a platform for collaboration, innovation, and the technical leadership shaping the future of global utilities

”

Dr. Afif Saif Al Yafei
CEO
TAQA Transmission

Technical Committee Chairman

TECHNICAL CONFERENCE

In an era defined by accelerating demand, rapidly evolving grids, and intensifying climate pressures, the utilities sector stands at the centre of some of the world's most complex engineering challenges. The Technical Conference serves as a platform for specialists who design, operate, and optimise these critical systems, bringing together industry leaders, researchers, and practitioners to exchange technical knowledge and deliver actionable solutions that advance operational excellence, measurable impact, system resilience, and long-term sustainability across the sector.

This edition will explore emerging developments, address operational & strategic challenges, & foster peer-led knowledge exchange through content shaped directly by professionals driving progress across the utilities sector. By bringing together technical voices from across markets, the Technical Conference contributes meaningfully to the advancement of innovation, system resilience, & sustainable growth in utilities worldwide.

WHY ATTEND

The World Utilities Congress Technical Conference is an ideal platform for industry professionals to share insights, discover innovative technologies, and forge strategic partnerships.

Capital Leading

Gain insights into best practices, emerging technologies, and the latest advancements in the power and water sectors.

Competitive Edge

Understand market dynamics and evolving client needs to stay ahead in an increasingly complex utilities landscape.

Expert-led Learning

Learn how industry leaders are addressing challenges, driving resilience, and unlocking new opportunities.

Strategic Networking

Engage directly with key stakeholders across the power and water value chain to foster collaborations and accelerate progress toward sustainability goals.

GAIN CPD ACCREDITATION

The World Utilities Congress Technical Conference is CPD-accredited, providing globally recognised professional development for energy professionals. The programme ensures your qualifications stay relevant while helping you gain new skills, industry insights, and CPD points to advance your career. By demonstrating a commitment to continuous learning, it positions you at the forefront of the evolving energy sector.

MEET AND CONNECT

Meet and network with leading technical experts presenting at the World Utilities Congress Technical Conference:

Book your delegate pass

Digital Trust**

WATER & CLIMATE

**Future-Ready
Water Systems and
Infrastructure**

**Circular Waste and
Resource Recovery**

**ESG and Sustainable
Finance Leadership**

**Talent Powering
Operational
Excellence**

of global electricity-demand growth
will be met by clean energy and
efficiency improvements by 2030*

TECHNICAL SESSIONS

 CONFERENCE HALL A				
DATE	TIME	POWER GEN HUB	GRID & AI HUB	WATER & CLIMATE HUB
TUESDAY, 19 MAY	14:00 - 15:30	SESSION 1	SESSION 2	SESSION 3
		Achieving Reliable Clean Power for Net Zero I	Transforming Utility Operations through AI Innovation I	Driving Smart and Sustainable Wastewater Solutions
	15:30 - 17:00	SESSION 4	SESSION 5	SESSION 6
		Innovating Transmission and Distribution for the Next-Gen Grid I	Redefining Smart Grids with Edge Intelligence I	Innovating Waste-to-Energy and Circular Technologies I
WEDNESDAY, 20 MAY	10:00 - 11:30	SESSION 7	SESSION 8	SESSION 9
		Achieving Reliable Clean Power for Net Zero II	Transforming Utility Operations through AI Innovation II	Advancing Smart and Sustainable Water Systems Infrastructure I
	11:30 - 13:00	SESSION 10	SESSION 11	SESSION 12
		Accelerating Renewable Stability with Hydrogen & Storage	Redefining Smart Grids with Edge Intelligence II	Optimising District Cooling and Heating for Sustainable Utilities
	14:00 - 15:30	SESSION 13	SESSION 14	SESSION 15
		Unlocking Investment Opportunities in a Net-Zero Energy Market I	Securing Utilities with Cyber-Enabled Solutions I	Optimising Energy, Water, and ESG Performance
	15:30 - 17:00	SESSION 16	SESSION 17	SESSION 18
		Optimising Power Generation through AI Innovation	Innovating Urban Energy for Clean Mobility & Electrification	Innovating Waste-to-Energy and Circular Technologies II
THURSDAY, 21 MAY	10:00 - 11:30	SESSION 19	SESSION 20	SESSION 21
		Achieving Reliable Clean Power for Net Zero III	Transforming Utility Operations through AI Innovation III	Advancing Smart and Sustainable Water Systems Infrastructure II
	11:30 - 13:00	SESSION 22	SESSION 23	SESSION 24
		Innovating Transmission and Distribution for the Next-Gen Grid II	Redefining Smart Grids with Edge Intelligence III	Powering Utilities with Skilled Leadership
	14:00 - 15:30	SESSION 25	SESSION 26	SESSION 27
		Unlocking Investment Opportunities in a Net-Zero Energy Market II	Securing Utilities with Cyber-Enabled Solutions II	Empowering Utilities with Safety and Excellence

Delegate lunch available between 13:00-14:00 across all three days*

CONFERENCE AGENDA

DAY 1 TUESDAY, 19 MAY 2026			CONFERENCE HALL A
	Power-Gen Hub	Grid & AI Hub	Water & Climate Hub
CHAIRS	SESSION 1	SESSION 2	SESSION 3
	Achieving Reliable Clean Power for Net Zero I	Transforming Utility Operations through AI Innovation I	Driving Smart and Sustainable Wastewater Solutions
14:00 - 15:30	 Cecil Torun VP - Engineering and Technical Project Management Engie UAE	 Simon Jagers Founder Samotics Netherlands	 Hebah Abbas Chairwoman Kuwait Water Association Kuwait
	 Jeffrey Benoit VP - Global Clean Energy Solutions PSM - a Hanwha Company	 Giampietro Sanna Managing Director GSC Consulting UAE	 Mark Jones Chief Engineer & Project Director Infrastructure, Networks & Drainage Solutions AtkinsRéalis UAE
	 Carlos Torres Diaz SVP and Head of Power Research Rystad Energy AS Norway	 Anand Mayank Manager Power Grid Corporation of India Limited India	 Khaled Abdul Majeed Altamimi Head of Tunnels and Plants Section Dubai Municipality UAE
	 Denis Spillane VP - Business Development TAQA Generation UAE	 Milena Kraeva Director Utility Systems Red Sea Global KSA	 Wim Audenaert CEO AM-Team Belgium
	 Patrik Farkas General Manager Market Development Wartsila UAE	 Ahmed El-Sharnouby Manager - Process & Energy Optimisation Department EPROM Egypt	 William Harvey Director Energy Recovery Inc. USA
	 Steve Vincent Global Power Generation Market Director Jacobs UAE	 Fredrick Knops VP - Solutions, Energy and Utilities Data Society USA	 Lew Evans CEO Nexus Resilience Group UAE

Delegate lunch available between 13:00-14:00 across all three days*

EVENT AT A GLANCE

Exhibition

A global showcase of pioneering technologies driving progress in utilities.

Strategic Conference

Unparalleled thought leadership shaping the future of power and water utilities.

Technical Conference

Experts present the latest advancements and applied solutions.

Leadership Roundtables

Transforming vision into tangible progress through utilities leadership dialogue.

EVENT FEATURES

Innovation Theatre

A dynamic forum for experts and innovators to present cutting-edge solutions for an efficient utilities ecosystem.

Innovation Hub

Showcasing the next wave of innovation in utilities.

Utilities Club

An exclusive, members-only network for global utilities leadership.

F.U.E.L.

Future Utilities & Energy Leaders
Designed to inspire, empower, and grow the next generation of utilities and energy leaders.

Utilities Connect

Facilitating meaningful exchange through high-impact meetings that accelerate sector growth.

Gala Dinner

Recognising achievement and celebrating excellence across global utilities.

NETWORKING OPPORTUNITIES

Networking at the World Utilities Congress goes beyond the conference theatres and exhibition floor, offering exclusive opportunities to build meaningful connections and forge lasting partnerships across the global utilities community.

Exclusive access

Business matchmaking

Industry recognition

Global connections

VENUE MAP

ABOUT ABU DHABI

Abu Dhabi is a vibrant, modern capital city where rich traditions blend smoothly with innovation.

Set along the Arabian Gulf, it features a striking skyline, premium resorts, and a cultural scene that reflects both its heritage and its forward-looking vision. With beautiful beaches, green spaces, and top attractions, the city provides an ideal setting for both business and leisure.

Visitors can experience landmark sites such as the Sheikh Zayed Grand Mosque, Louvre Abu Dhabi, and Qasr Al Watan — each highlighting the Emirate's history and artistic achievements.

Abu Dhabi is also a leader in sustainability and smart-city development, showcasing its commitment to a progressive future.

Known for its welcoming Arabian hospitality, diverse dining options, and strong global connectivity, Abu Dhabi stands out as a premier destination for events—offering the perfect balance of inspiration, relaxation, and opportunity.
